

### VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

### VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

### VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

# VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

### VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

### VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

### VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

### VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

### VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

# VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

### VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

# VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

# VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

### VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

# VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

### VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

# VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

### VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

### VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

# VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

# VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

# VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

# VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

# VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

# VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

# VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

# VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

# VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

# VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.

# VDACS Registrations Issued

The below registrations are issued pursuant to Va. Code § 3.2-4122. Registrant may offer for sale or sell at retail a regulated hemp product. The registrant shall bear the responsibility for ensuring compliance with all applicable laws and regulations of the Commonwealth of Virginia governing the sale of regulated hemp products. In the event of noncompliance, both the business entity and any individuals legally liable shall be held jointly and severally responsible for violations of the applicable provisions set forth in the Code of Virginia. Issuance of registration does not denote that all products sold are safe or compliant with federal, state, and local laws.
